We meet at 8:30 AM at Frank's Alliance Family Restaurant, 428 E. State St.

AARC Meeting Announcement

The February Meeting of the Alliance Amateur Radio Club is coming up on Wednesday, February 8th. No speaker this month, but we do have lots to discuss.

We meet on the 2nd Wednesday of each month at the Alliance Community Hospital. Normally, you can find us in the Cafe Conference room, which is just off the cafeteria.

See you on the 8th!

Winter Field Day Report

On January 28/29, members of the club participated in Winter Field Day. They set up indoors at the driving school location on Ely St.

According to club president, Paul, K2ASA, over 20 Amateurs and family visited the site, and 11 Hams operated. It sounds like they had a great time. Tomas, KC8ZEH sent along lots of pictures, which I'll post elsewhere in this issue of the Zero Beat.

Here are the numbers for the weekend. The group made 108 contacts. The breakdown is as follows:

Band	CW	Phone	Dig	Total	%
----	--	-----	---	-----	---
40	31	57	0	88	81
20	0	16	0	16	15
2	0	4	0	4	4
	--	-----	---	-----	---
Total	31	77	0	108	100

What these numbers don't tell us is how much fun was had. For that, you really had to be there. When I arrived at the very end, I found high spirits, and a lot of Happy Hams!

Secretary's report minutes are in the newsletter, no corrections to make this month. They were declared approved

Treasury report, given by K2ASA as treasurer was not present. KD8BBK applied for tax i.d. number with the IRS, they got the info wrong, so it will take a few weeks to get it fixed, hopefully by next month we should be straightened out by next meeting.

Z e r o B e a t

Question have the other funds been transferred into new account?

Answer, yes, we believe it has. Report was declared approved

nights. Paul will touch base and ask.

Questions:

Z e r o B e a t

What ever happened to us being non-profit?

It went nowhere. John said we'd have to start over again. He knows Bob Winston, he's the State Gov. Liaison who might help and we can set it up for Feb. meeting.

There is also someone else who might be able to help it.

We still need someone help organize with field day this summer.

Winter field day, Loren and Sean want to have it, it is the last week-end of the month. We could possibly use the Driver's school.

If we can get the building, let's go ahead and do it. N8WD and NX8G will be glad to help
