

10 Meter Net Script

Welcome to the **Tri-County News, Training, & Information Net**

This net is sponsored by the **Alliance Amateur Radio Club**, & meets each Thursday evening at 8:00 PM eastern time on or around this frequency.

The **Alliance Amateur Radio Club** meets on the second Wednesday of each month at the Alliance Community Hospital.

Meetings are usually held in the Cafeteria Conference Room, and begin at 7:30 PM. Visitors are always welcome.

Due to COVID 19, meetings are currently being held on the W8LKY 2 Meter repeater (145.370, with a PL of 110.9), and begin at 7:30 PM. All check-ins are welcome.

The net control station for this net is -----name and call (OK to use W8LKY)

The purpose of this net is to:

1. To promote use of the 10 Meter Band
2. Provide training for our members in net format & operation
3. Provide a forum for announcements of interest to hams in and around the tri-county area.

I now take pleasure in accepting check-ins for the net. All check-ins please call w8lky.

Since there are no further check-ins, we'll close the net, and return the frequency back to normal amateur use. For w8lky this is **---call sign,name---** 73 and goodnight all
