

W8LKY 440 MHz net script

Preamble

Welcome to the **Alliance Amateur Radio Club Net**

This net meets every Monday evening at 7:00 PM eastern time on the W8LKY 440 repeater in Alliance, OH. Everyone is welcome to join this net. You do not need to be a member to check in. Our tone frequency is 131.8 for both transmit & receive.

This repeater is located at the Aultman Alliance Community Hospital, in Alliance, Ohio.

Our club meets on the second Wednesday of each month at the Aultman Alliance Community Hospital, 200 East State St, Alliance, OH. Our meetings are held in the Cafeteria Conference room 1A, and begin at 7 PM. Visitors are always welcome.

Your net control station tonight is [name and call (OK to use W8LKY if you would like)]

The purpose of this net is to:

1. To increase activity on our 440MHz repeater
2. Provide training for our members in net format & operation
3. Provide a forum for announcements of interest to hams in and around the Alliance area.

I now take pleasure in accepting check-ins for the net. All check-ins please call w8lky.

Acknowledge check-ins

Go around to everyone for comments

Closing

Since there are no further check-ins, this will conclude tonight's net. Thank you to everyone who checked in and brought forth information. Without you, we would not have a net.

I would like to take this time to remind you of our other nets through the week.

- Tuesday nights at 7PM (9PM Summer) is our Homeland Security Net.
- Thursday nights at 8PM is our 10M SSB net.
- Thursday nights at 9PM is our 2M Repeater net.

For more information, ask one of us or check our website at W8LKY.org

I would like to thank the club for the use of the repeater, and at this time I will return the repeater over to normal amateur radio use. This is [**name, call sign**] 73 and goodnight

For each net session, keep track of

1. Time on air

2. Number of check-ins
